

Dr. Larry J. Sabato is a *New York Times* best-selling author, has won three Emmys, and is recognized as one of the nation's most respected political analysts. He appears multiple times a week on national and international TV, including FOX, CNN, MSNBC, and CNN International. A Rhodes Scholar, Dr. Sabato is the founder and director of the University of Virginia's Center for Politics, and has had visiting appointments at Oxford and Cambridge universities in England. Dr. Sabato is the author or editor of two dozen books on American politics. He has taught over 20,000 students in his 40-year career, and the University of Virginia has given him its highest honor, The Thomas Jefferson Award.

Dr. Sabato is the editor and lead author of the recent book, "TRUMPED," which explores the 2016 election and its shocking outcome.

Professor Sabato heads up *Sabato's Crystal Ball*, which—despite Donald Trump's upset of everyone's projections—still has a remarkable 98% accuracy rating in projecting thousands of elections at all levels since 2000.

Sabato's Crystal Ball has won many awards. The Pew Charitable Trust recognized the Crystal Ball as the #1 leader in the field of political prediction, and The Daily Beast designated it as one of the top political sites on the web.

Dr. Sabato has received three Emmys for the PBS television documentaries "Out of Order", which highlights the dysfunctional U.S. Senate, "The Kennedy Half-Century", which examines the life, assassination, and lasting legacy of President John F. Kennedy, and "Feeling Good About America," which looks at the 1976 presidential election.

Prof. Sabato is very active on social media. His Twitter feed (@LarrySabato) was named by *Time Magazine* as one of the 140 best.
