The Center for Politics, a nonpartisan unit of the University of Virginia, seeks to promote the value of politics and the importance of civic engagement.

We strive to engage people in politics, and to develop better civic education resources. We encourage scholars, teachers, students, politicians, journalists, and citizens to analyze and participate in the democratic process.

Without your support, our programs, publications, and research would not be possible.

Thank you for your contribution!

To make a secure gift online, please visit www.centerforpolitics.org

We appreciate donations of all sizes.

To be recognized as a leadership donor by the Center for Politics and the University of Virginia, please consider joining the Founders Society.
